REINS OF LIFE IN NUMBERS

- U 2 Locations: South Bend, IN & Michigan City, IN
- U Annual Budget: ~\$950,000
- U Avg. cost to organization to serve one participant in a Lesson: \$160
- U 23 horses, 9 ponies, 1 miniature horse, 2 miniature donkeys serve in mounted and unmounted programs.
- U Close to 200 individual participants attend one of the offered mounted programs: Therapeutic Riding, Interactive Vaulting, or Therapeutic Driving.
- U More than 460 students from local schools are enrolled in the K-12 equine-assisted learning program.
- U Over 220 participants were served in summer programming and through specialty programs: equine-facilitated psychotherapy, the veterans program, nuzzles and snuggles, and equine encounters.
- U 19 miniature horse visits were conducted in the community to libraries, schools, community fairs, and assisted-living centers.
- U Over 450 volunteers helped with governance, horse care, programming, maintenance, and fundraising activities, dedicating over 45,000 hours of service.
- U 20 applicants from universities and colleges were accepted to ROL Internship Program
